# **Definitions**

Rail Passenger An individual who has undertaken, or has attempted to undertake, a journey on a scheduled rail service,

and has purchased (or has had purchased on their behalf), or has attempted to purchase, a ticket for that

journey.

Participating Rail
Operating Company

A rail operating company which is part of the Rail Ombudsman scheme. The full list of Participating Rail Operating Companies is available here: www.railombudsman.org/about-us/Participating-service-providers/

In Scope A complaint accepted as being eligible for the Rail Ombudsman scheme.

Out of Scope (Transferred)

A complaint that is outside the scope of the Rail Ombudsman scheme which is transferred to either

Transport Focus or London TravelWatch.

Out of Scope (Ineligible)

A complaint which is deemed ineligible for the Rail Ombudsman scheme and also for Transport Focus and London TravelWatch. The majority of complaints found to be ineligible are caused by Rail Passengers approaching the Rail Ombudsman without a deadlock letter and before the end of the 40 working day

period allowed to Rail Operating Companies to resolve their complaints.

Simple Resolution A stage in the Rail Ombudsman process that provides an opportunity, in some circumstances, to quickly

resolve an issue.

**Complex Resolution** A stage in the Rail Ombudsman process where a Simple Resolution is not possible. The Rail Ombudsman

will first Mediate and then where applicable, Adjudicate to resolve an In Scope complaint.

Mediation The process by which, assisted by an independent view from the Rail Ombudsman, a settlement in relation

to an In Scope complaint can be negotiated to which both the Rail Passenger and the Participating Rail

Operating Company agree.

Adjudication The process by which, in the event that a Simple Resolution and Mediation have been unsuccessful in

reaching agreement between the Participating Rail Operating Company and the Rail Passenger, the Rail

Ombudsman will investigate and make an impartial decision on the case.

# **Notes**

All percentages shown within this report have been rounded up or down to the nearest whole number.

Passenger journeys delivered by Participating Rail Operating Companies vary in length and number. Unless specified, complaint volumes in this report have not been weighted to reflect this and should not be used as mechanisms for comparison.

Further information on Rail Operating Companies' passenger numbers and complaint volumes can be found on the Office of Rail and Road's data portal here: https://dataportal.orr.gov.uk/
